SUMMARY

Frontend Engineer with 7+ years building applications with React and TypeScript. Experienced with banking and payments products, microfrontend architecture, API integrations, state management, testing and production observability. Collaboration with teams on code reviews, mentoring, architecture decisions and design systems.

SKILLS

JavaScript · TypeScript · React · Next.js · Microfrontends (Single-SPA) · REST APIs · GraphQL / Apollo · Redux Toolkit · Tailwind CSS · Firebase · MongoDB · Jest · Cypress · Webpack

EXPERIENCE

Software Engineer · Lucky Traders Academy — JUL 2026 — PRESENT

Full stack platform where traders share trades, track portfolios and engage with market content. Built authentication and role-based profiles, a trade feed, real-time quotes, an admin dashboard and internationalization into three languages.

Next.js 15 · React 19 · TypeScript · Tailwind CSS · Firebase · Firestore · MongoDB · Stripe

Senior Frontend Engineer · Grupo FCamara / Ouribank — MAY 2024 — APR 2026

Developed and maintained microfrontends for banking applications. Implemented PIX (Brazil's instant payment system) and TED transfer flows, including key management, refunds, approvals, statements and payments, focusing on performance, accessibility, error handling and production observability.

React · TypeScript · Single-SPA · GraphQL · Apollo · Redux Toolkit · Tailwind · Webpack

Senior Frontend Engineer · Engineering Brasil — APR 2023 — APR 2024

Built an interface on top of a big data platform that let non-technical users explore, filter and manipulate large datasets without writing SQL.

React · TypeScript · Next.js · Redux · Tailwind

Frontend Engineer · EIS Ltd — NOV 2022 — FEB 2023

Web application for B2B and B2C customers, integrating services for businesses and individual users.

React · JavaScript · TypeScript · Next.js · Redux

Frontend Engineer · Traders Club — MAY 2021 — NOV 2022

Financial market news and education company. Responsive pages for the corporate website and cross-platform internal applications.

React · Next.js · Redux · Electron · Styled Components

Frontend Engineer · MKM ServiceCom — FEB 2019 — MAY 2021

Corporate communication web application and automated tests in an agile team.

React · JavaScript · HTML & CSS · Cypress · Jest

Support Analyst · MKM ServiceCom — MAY 2017 — JAN 2019

Customer support, system monitoring and email template development.

EDUCATION

Associate Degree in Digital Game Development · FMU · 2012–2015

CERTIFICATES

Meta Front-End Developer — Professional Certificate · Meta / Coursera · 2026

Introduction to Front-End Development · Programming with JavaScript · Version Control · HTML and CSS in Depth · React Basics · Advanced React · Principles of UX/UI Design · Front-End Developer Capstone · Coding Interview Preparation
